Summary: Rule Youth Sports is the only football program native to Western Heights, and it has a 40 year history in the area. The program has the lowest fees in the city & county and still cannot collect full payment from community families. The average fee paid is approximately \$25.00 per child. That barely covers basics like mouthpieces, trophies, and keeping the water turned on at the stadium.

Rule commissioners/coaches rely on donations, or they buy uniforms out of their own pocket since the area income is too low to support the teams with fee money. They lack sufficient boosters to get the money, too.

They also are in need of assistant coaches because of the absence of male role models in the community. Other volunteers would be welcome, too: equipment managers, various helpers, boosters, etc.,.

WE ARE LOOKING FOR PARTNERS FOR:

- Assistant Coaches -4
- Equipment managers-1 or 2 part-time
- General Helpers -2
- Boosters – to serve as financial sponsors!
 - As many as possible to help support the teams and youth!
 - Even as little as \$25.00 can help!
